# Route 6 Visitors Center

Operated by the Yarmouth Chamber of Commerce  
Open to all members of local Chambers of Commerce

Each year, the Route 6 Information Center serves tens of thousands of guests visiting Cape Cod. As the only Visitors Center located on the Mid-Cape Highway with public restrooms, our staff has the opportunity to refer visitors to the many beautiful Cape towns and local businesses. These referrals equate to thousands of dollars in business each year for our Route 6 Information Center participants.

We expect a very busy 2016 at the Route 6 Information Center and we know you will not want to miss one day of potential referrals. With about 400 visitors a day in season, we are one of the busiest Information Centers on the Cape.

We are opening for the season in mid-May and invite you to take advantage of our services. Again this year, we are thankful to the Barnstable County Commissioners who provide our visitors and residents clean, safe restroom facilities. They are a critical component to the services we provide.

If you are interested in participating in the Route 6 Visitors Center, please fill out the bottom portion of this form and return it to our office with payment. Please be sure to keep us supplied with your brochures and informed about any special offerings throughout the season. You can drop materials off at the center or ship them to our Administrative Office and we will deliver them for you.
